Список основных публикаций

Berred, A and Malov, S.V. (2009), Semiparametric Estimation in Copulas with the Same Marginals, *Communications in Statistics: Theory and Methods* **38**(3), 372 - 392.

Bagdonavičius V., Malov, S., Nikulin, M. (2008), Testing of the homogeneity of marginal distributions in copula models, *C. R. Acad. Sci. Paris*, Ser. I **346**, 445-450.

Bagdonavičius, V., Malov, S.V. and Nikulin, M.S. (2006), Semiparametric Regression Estimation in Copula Models, *Communications in Statistics: Theory and Methods* **35**(8), 1449 - 1467.

N. Balakrishnan and S.V. Malov (2005), Some characterizations of exponential distribution based on progressively censored order statistics, In *Advances on Models, Characterizations and Applications* (Eds., N. Balakrishnan, I.G. Bairamov and O.L. Gebizlioglu), Chapter 6, pp. 97-109, Chapman & Hall/CRC Press, New York.

Ahsanullah, M. and Malov, S.V.(2005), On Characterizations via Equivalent Distributions Properties of Records. *Proceedings of the Fifth St.-Petersburg Workshop on Simulation* (Eds. S.M. Ermakov, V.B. Melas and A.N. Pepelyshev), 17-22.

Ahsanullah, M. and Malov, S.V.(2004), On Some Characterizations via Distributional Properties of Records, *Journal of Statistical Theory and Applications* **3**(2), 135-140.

Berred, A. and Malov, S.V. (2004), Semiparametric Estimation in Copulas With the Same Marginals, In *Longevity, Aging and Degradation Models in Reliability, Public Health, Medicine and Biology LAD'2004* (eds.,V.Antonov,C.Huber,M.Nikulin, V.Polischook), pp. 45-51, St.-Petersburg State Politechnical University, St.-Petersburg.

Ahsanullah, M. and Malov, S.V. (2003) On Characterizations via Linear Regression Properties of Generalized Order Statistics, *Journal of Statistical Theory and Applications* **2**(1), 33-38.

Balakrishnan, N. and Malov, S.V. (2002) Characterizations of proportional Archimedean copulas, *Mathematical Methods of Statistics* **11**, No 4, 489-495.

Malov, S.V. (2001) On finite-dimensional Archimedean copulas. In *Asymptotic Methods in Probability and Statistics with applications* (eds., N.Balakrishnan, I. Ibragimov and V. Nevzorov), Birkhouser, Boston, 19-35.

Bagdonavicius V., Malov, S. and Nikulin, M. (1999) Characterizations and semiparametric regression estimation in Archimedean copulas. *Journal of Applied Statistical Science* **8**, No 2/3, 137-154.

Malov, S.V. (1998) Random variables generated by ranks in dependent schemes. *Metrika* **48**, 61-67.

Malov, S.V. and Nevzorov, V.B. (1997) Characterizations using ranks and order statistics. In: *A Volume in Honour of Samuel Kotz*, Wiley, NY., 479-489.

Malov, S.V. (1997) Sequential τ-ranks. *Journal of Applied Statistical Science* **5**, No 2/3, 211-224.

Malov, S.V. (1996) On characterizations of independent identically distributed random variables via order statistics. *Statistics & Probability Letters* **26**, 97-104

Malov, S.V., Nevzorov, V.B. and Nikulin, M.S. (1996) Sequential ranks and related topics. *Mathematical Methods in Stochastic, Simulation and Experimental Design* (Proceedings of the Second St.-Petersburg Workshop on Simulation, St.-Petersburg 1996), 294-299.

Malov, S.V. (1994) On the strong independence of sequential ranks. *Proc. of the Sixth Vilnius Conference in Probab. Th. and Math. Stat.* **2**, Mokslas Vilnius/VSP, Utrecht, 517-532.

Малов, С.В. (1993) Последовательные ранги и порядковые статистики. *Записки научных семинаров ПОМИ* **204**, 115-125 .

Малов, С.В.(1992) О независимости последовательных рангов. Вестник Санкт-Петербургского университета **25**, No.3, 109-113.
